## About the River City Gender Alliance

The River City Gender Alliance was founded in 1986 and provides peer support, friendship and understanding for crossdressers, transgenderists, transsexuals, and other gender variant individuals. Our members include both male to female and female to male transgender persons, crossdressers, their allies, and significant others. Members come from all across Nebraska, Western Iowa, South Dakota and Northern Kansas, as well as the Omaha/Lincoln/Council Bluffs areas.

RCGA does not discriminate against anyone! Persons of all races, religions, gender identities and sexual orientations are welcome. The River City Gender Alliance also offers a support group for spouses and significant others of transgender persons.

## Activities of the River City Gender Alliance

There are many areas of activity for members within the River City Gender Alliance (RCGA). The RCGA is both a social and a support group, which meets regularly once a month. RCGA regularly supports Nebraska Pride and the Nebraska AIDS Project, and several of its members often attend GLBT related conferences in the Midwest, as well as other areas of the country. RCGA has connections in Washington and with the National Center for Transgender Equality (<http://www.nctequality.org>), as well as with other groups, both locally and nationally. Although RCGA is not an activist group, several of its members consider themselves activists, and often work together with other similar minded, activist organizations to aid in the fight for GLBT equality. So, whether you are politically active, newly out and seeking support, or just want to go out for a little bit of fun with your peers, RCGA has something for you!

## Joining the River City Gender Alliance

The River City Gender Alliance is open to all individuals, regardless of sexual orientation, gender identity, or gender expression.

For security purposes, the River City Gender Alliance asks for a chance to meet prospective members before disclosing the meeting time and location. This is done with a simple interview, which can be arranged with an officer by contacting the River City Gender Alliance.
